

Office of the Governor

Discrimination Complaint Procedure

As required by section 46a-68-46 of the Regulations of Connecticut State Agencies, this procedure addresses complaints alleging discrimination or retaliation based upon any legally protected class, including race, color, religious creed, age, sex, national origin, marital status, gender identity or expression, sexual orientation, learning disability, physical disability or blindness, present or past history or mental disability, intellectual disability, genetic information, and criminal record history. Additionally, any member of the public alleging discrimination related to a qualifying disability by the Office of the Governor in the provision of services, activities, programs or benefits may use the Discrimination Complaint Procedure.

The Governor's Discrimination Complaint Procedure will be distributed annually to all employees and will be posted on the agency's website. All employees shall also be notified of the right to file with state enforcement agency Connecticut Commission on Human Rights and Opportunities (CCHRO) and that the CCHRO requires such complaints to be filed with within 180 days of the alleged discriminatory treatment. Upon appointment each new employee shall receive and acknowledge a copy of the Governor's Discrimination Complaint Procedure.

Note: Any person may request a copy of this procedure in an alternative format by contacting the Equal Employment Officer (EEO), Bruce Adams, Deputy Legal Counsel, via phone at (860) 524-7316 or email at bruce.adams@ct.gov.

All employees are expected to cooperate fully with all administrative complaint investigations and any actions taken by the Governor's Office as a result of such investigations.

Counseling

The Governor's Office is committed to providing a work environment in which all people are treated with respect and dignity. Accordingly, EEO Bruce Adams and staff are available to meet with employees who wish to raise a particular issue or who have questions or concerns about the Governor's anti-discrimination policies. Individuals requesting such a meeting may choose to meet in a private area. Issues discussed during such counseling sessions will be kept as confidential as possible, consistent with the professional obligations of legal counsel to the Governor's Office. Accordingly, before an EEO counseling session begins, Mr. Adams and legal staff will advise all individuals that no attorney-client relationship will be created between them.

During such counseling sessions, the participants will be informed of state and federal anti-discrimination laws and the participant's right to file directly with the CCHRO or other appropriate enforcement agencies. The purpose of this advice is to assist participants in keeping open their options for filing with these other agencies. Participants will be provided with applicable policies and will be given a copy of the Governor's Discrimination Complaint Procedure.

 - 2) The EEO shall notify the Governor of the allegations.
 - 3) The EEO shall work to facilitate conciliation between the complainant and the respondent where there is an indication that both parties may be willing to work together towards a resolution.
 - 4) If, after reasonable efforts, no conciliatory agreement is reached, the EEO and or staff shall continue with the investigatory process, keeping the Governor informed of its progress.
 - 5) The EEO and or staff shall investigate all complaints and prepare a summary of the findings for administrative review. The investigative process shall not exceed ninety (90) days.
 - 6) The EEO and or staff will provide written notification of the final determination to the parties and to the Governor. The notification shall advise the complainant of his or her potential avenues of appeal.

- 7) If the complainant disagrees with a finding that the complaint is not substantiated, he or she may file a written appeal with the Office of the Governor within ten (10) business days of receipt of the written determination. Staff will contact the complainant to discuss the complaint and any possible resolutions.
- 8) If the investigation of the complaint indicates a policy violation occurred, the findings will be reviewed with the Governor (or designee), who will determine appropriate disciplinary action.
